- 1 It would germaine to full disclosure in this matter to have full disclosure of: the present ownership of the properties and previous owner, if now owned by the federal government, and purchased by the government in the previous five years. Actual ownership, not just a corporate or partnership name, but those who are the actual owners and the consideration paid or proposed to be paid by the federal government for the property.
 - 2 Second, what the specific geology of the proposed storage area as well as expert opinion on the suitability of the property for storage. These provisions are nearly in keeping with our democratic society.
